DEDICATION

This report is dedicated to the memory of
Sr. M. Olga (Olha), OSBM
who died Sept. 16, 1987 after being struck by an automobile while crossing the street in front of MJC and St. Basil's Academy.

Past President MJC 1970-76
Academic Dean 1962-70
Dean and Registrar 1958-62
MJC Board of Trustees 1960-65
Guidance Counselor St. Basil's Academy

●●●●●●●●●●●●●●●●●●●●●●●●

The MJC Development Office has established a special fund in memory of Sr. Olga (Olha). In keeping with her philosophies this special fund will be used for Library needs. Contributions to this fund may be sent to:

Office of The President
Manor Junior College
Fox Chase Road and Forrest Avenue
Jenkintown, PA 19046

A MESSAGE FROM THE PRESIDENT

Dear Friends:

I am delighted to report the many good things happening to Manor Junior College. Following a year of self-study and evaluation by the Manor Community, the Middle States Association has affirmed Manor's accreditation with words of confidence in Manor's future.

The President's advisory group on fund-raising and public relations, the Council of President's Associates, has increased its membership with outstanding members of the local professional and business community. The Council's first fund-raiser "Riverboat Casino" exceeded our expectations.

Manor continues to search for new ways to serve the community through its academic offerings. This fall, a new program to train assistants for legal work, the Paralegal Program, will be introduced. This addition to the Liberal Arts/Science Division expands the offerings in both transfer and terminal programs.

Manor's outstanding faculty and staff continue to be Manor's pride. This Spring, a grant supported a highly successful two day personnel development conference for the entire Manor Community.

The enhancement of our students continues to be the center of the College efforts through the Learning Center, Freshman Seminars, new equipment for the Business Division and an increase in student activities for both full-time and Continuing Ed students.

The introduction of the Diocesan Scholars Program opened Manor's doors to selected high school seniors. Manor also provides education opportunities for selected seniors of St. Basil Academy.

During this, its 10th Anniversary year, the Ukrainian Heritage Study Center increased its outreach program to the community through workshops, lectures and seminars.

Also, celebrating the 10th year of its founding, the Expanded Function Dental Assisting Program at the Dental Health Center has provided for over 40,000 patient visits as part of the Center's service to the general community.

You, the friends of Manor, have made these achievements possible by your generous and loving support. Your gifts continue to reveal the goodness of God and your confidence in Manor. I thank you for your support and your love and friendship.

You, your families and all your loved ones will be remembered in the Divine Liturgies celebrated for all benefactors. May God grant you joy, peace and good health.

Sister Mary Cecilia, OSBM
President

ARTS AND SCIENCES

Photo by M.A. Whitehead

Faculty

Sr. Mary Cecilia, OSBM, president of MJC at right, and Sr. M. Francis, OSBM, dean of students, with some of the MJC faculty who worked on Middle States Self-Study. From left back row, Esther Goldman, Elaine Ratner, John Stahura and Johanna Seemiller. Front row, Dr. Mady Seltzer and Ann Knop.

Admissions/Financial Aid

Information Processing, a new degree program of study designed to meet the increased demand for personnel to operate the various types of electronic equipment was approved by the Manor Junior College Board of Trustees for fall 1987.

"We took on the best components of our Computer Science and Word Processing programs and created a brand new program," explained Sr. Celine, OSBM, academic dean at MJC.

"This program is so versatile, has so many facets, that students who are undecided about their career choices can transfer into this program with minor adjustments," adds Jeanne Wurtz, computer coordinator for MJC.

"It gives students more choice, more options. This is a very timely program that will broaden student skills and make them more marketable," Wurtz continues.

In addition to the Liberal Arts core courses of English, Social Sciences, Religious Studies, Philosophy, Science/Mathematics and Basic programming, students study specific subjects. These courses include: office correspondence, office accounting with computers, microcomputer applications, including word processing, spread sheet and data base management. Students may earn credits by full or part-time studies and receive an associate degree in science upon successful completion of the program.

Photo by Faith McCracken

Special Gift

Sr. Mary Cecilia, OSBM, with Mr. and Mrs. Wasyl Soroko who presented a special scholarship to Manor Junior College.

New Scholarship

A special scholarship for students of Ukrainian heritage who have high academic standing and who demonstrate financial need was established at Manor Junior College in 1987.

The Wasyl and Josephine Soroka Scholarship was made possible through the establishment of the Wasyl and Josephine Soroka Scholarship Endowment Fund, a gift of $38,000 to be awarded over a 15 year period.

The Endowment Fund is a gift of Mr. and Mrs. Wasyl Soroka of Philadelphia. The Scholarship will be an annual award.

During the year 1987, the members of the Division of Arts & Sciences at Manor Junior College were involved in many activities that will benefit Manor for years to come.

Beginning in September 1987, the Division of Arts & Sciences has one chairperson, Anne Knop. Previously, Dr. Madeline Seltzer and John Stahura co-chaired the Division. This consolidation will help to unify the activities and planning of members of the faculty in both Arts & Sciences.

One of the division's biggest accomplishments has been to continue to improve and expand the services of the Learning Center. An ESL (English as a Second Language) Program and reading, writing and math centers were developed. These centers provide tutoring, testing and evaluation and prescriptive programs to improve students' skills. The Learning Center's staff has been expanded to include a professional math tutor, Ira Riddle, and a professional writing and ESL tutor, Selma Komins. The computor tutorial program was also expanded. Through the efforts of Dr. Madeline Seltzer and Eileen Suffet, Manor received three grants totaling $96,125 to help fund these areas.

All full-time faculty and some adjunct members were involved in the Middle States Self-study which was completed in November '87. Joseph Stoutzenberger served as a member of the Steering Committee and along with Dr. William Mistichelli helped edit the final report. Dr. Mady Seltzer, Elaine Ratner, John Stahura and Anne Knop served as chairs of task forces. Greg Pasquarella, Carole Hitchcock, John Boyd, Marlyn Alkins, Dr. Ihor Mirchuk, Sister Jonathan and Bonnie Blackman served as members of task force committees. This participation made everyone more aware of Manor's strengths and weaknesses and helped the Division to plan for the future.

As part of the follow-up to the Middle States Self-study, the Division has begun to evaluate and study Manor's core curriculum. A committee consisting of Anne Knop, Joseph Stoutzenberger, Dr. Madeline Seltzer and John Stahura will develop the philosophy, goals and objectives of the core in the spring of 1988. The committee will also work with Dr. Nina Haydel, consultant, to study core design. The division plans to have a proposal for an updated core curriculum by May, 1989.

by Anne Knop, Chairperson
Division of Arts & Sciences

ALLIED HEALTH

Medical Laboratory Technician

During 1987 the Medical Laboratory Technician program at MJC has been going through a period of transition which has resulted in major changes in the program curriculum to better meet the educational needs of the MLT students. In the past it was hard for Manor students to transfer MLT courses to four-year institutions to continue their education if they so desired. The present and future classes of MLT students are now able to transfer MLT courses.

Manor's MLT program has formal "2 + 2" agreements with both Thomas Jefferson University and Hahnemann University. The curriculum changes were started last year by the former MLT program director, Wendy Blume. The final revisions were completed in December 1987 by the present program director, Judy W. Eckenrode who replaced Mrs. Blume in July 1987.

The present MLT program director has just completed a 143 page self-study document, the initial step in the re-accreditation process by NAACLS and CAHEA which are sponsored by the ASCP.

At the present time the program is affiliated with various laboratories in the area, three hospitals (Holy Redeemer Hospital, Meadowbrook, PA, Northeastern Hospital and St. Mary's Hospital, both of Philadelphia, PA), one reference laboratory (DeKalb Laboratories), and one doctor's office laboratory (Family Medical Associates of Abington, PA).

During the past year the affiliates have been very charitable. They have made various donations to the MLT program. Holy Redeemer Hospital has donated various supplies and reagents that they can no longer use but are ideal for the students to practice with.

St. Mary's Hospital has donated various glassware, reagents, and laboratory instruments which will greatly enhance the quality of the program. St. Mary's donated to the program a chloridometer, fibrometer, and a coag-u-mate; laboratory instruments the program would not have been able to purchase.

The MLT students have been active in the college based Allied Health Club. This year's officers are all MLT students. Various activities the club has been involved in are as follows: candlelight supper, American Cancer Society brown bag luncheon lectures, American Red Cross blood drive, a 50-50 drawing to earn money for the Allied Health pins for the Pinning Ceremony in March.

MLT'S

Medical laboratory technicians with former MJC director Wendy Blume at 1987 Pinning Ceremony. From left back row, Gloria Carroll, Ms. Blume, and Roseann Clark. Seated from left, Elizabeth Boyts, Valerie Finman, Victoria Kocher.

Photos by M.A. Whitehead

Congratulations!

Judy Eckenrode, new MLT director congratulates Cathy Magurn upon being elected new president of the Allied Health Club. Looking on are Christine Sandorello, AH Chairperson, animal science director, and Liz Owens, medical assisting director.

OPT-TECH

Cathy Muhr, Opt-Tech director, Cheryl Henneke, Judy Chessario, Rita Cinquanto, Missy Cavanaugh, Ann Kavesak and Judi Berges, Opt-Tech coordinator.

Seated, from left, Kathy Sedory, Christine Bohenek, Judy Chessario, Mercedes DeGeorge and Rita Marie Cinquanto.

ALLIED HEALTH

In March 1987, the Allied Health Division held its Annual Pinning Ceremony to honor its prospective graduates. The keynote speaker was Dr. Thomas F. Santilli from Holy Redeemer Hospital. The celebration, which was well attended by proud parents and division faculty, was followed by a reception hosted by the Freshmen students.

EFDA

Back row, Joanne Villanti, EFDA instructor; Sheila Griffin, Shirley Eisele, Cheryl Janssen, Jill Kaplan, Alexandria Williamson, Christine Newell, Wendy Bass, Amy Whartenby, Vicki Dolceamore and Terri DeLisi, EFDA coordinator. Seated, Tracy Birchfield, Wendy Sue Klinck, Gina Dolchanczyk, Barbara Schmid, Lisa Faulhaber and Karen McCourt.

Animal Science

The Animal Science Program appointed veterinarian Patricia McManus as Coordinator for the department in 1987. In the short time that she has held this position, an Animal Science room has been acquired and courses have expanded to include on-campus experience with animals. Also, additional externship sites have been made available to further student knowledge.

Under Dr. McManus' guidance, the students will be conducting diagnostic testing and rabies vaccination clinics throughout the year for the convenience of our Manor community pet owners.

Also, for the first time, a $500. scholarship has been awarded to an Animal Science major for academic excellence. This award, granted by the Delaware Valley Branch of the Association for Laboratory Animal Science was presented to Ellen Kozlowski.

Christine Sandorello was appointed chairperson of the Allied Health Division and as director of the Animal Science program, is assisting Dr. McManus in preparing for department certification.

Animal Science

Back row, Christine Sandorello, director; Priscilla Gay and Dr. Patricia McManus, coordinator. Seated, Janice Ann Nuding, Tammy J. Gerace, and Gena Lee Dionisio.

Expanded Functions Dental Assisting

On Nov. 16 and 17, 1987, the Expanded Function Dental Assisting Program was site-visited by a three member team representing the American Dental Association Council on Dental Education for purposes of reaccreditation. The team spent two days on campus reviewing and evaluating program administration, curriculum, facilities, faculty and finances. A self-study document was prepared by Eileen Suffet, director of the EFDA Program with assistance from other EFDA faculty and staff.

A final decision regarding reaccreditation will be made at the Council's yearly meeting in May. However, a verbal report was made by the team to Sr. Cecilia, president, Sr. Celine, academic dean and Ms. Suffet. The team gave the program several commendations for its outstanding curriculum and facilities. Everyone was delighted with the results of this visit and are optimistic about maintaining full accreditation status.

by Eileen Suffet
Director EFDA

MA's

Back row at left, Priscilla Crowe, MA director; medical assisting students Lori Hennigan, Lynn Hennigan, Barbara Adams, Roslynn Buie, Kathryn Jumpak, Jackie Soboleski, Donna J. Spielberger and Lisa Caroll. Seated, Karen Klass, Donna Rober, Susan Marie Baumkratz, Nancy Landauer, Lynda Mahon and Susan Braitwaite.

Medical Assistants

Effective August 1987, Elizabeth Owens replaced Priscilla Crowe as the director of the Medical Assisting program. In October 1987, MA students conducted blood pressure screenings at the Ukrainian Festival. Also during the month of October, the MA students participated at the Candlelight Pot Luck supper sponsored by the Allied Health Club.

A new course requirement has been added to the MA curriculum. Freshmen students are required to take MA 108, a one credit course entitled Clinical Experience I. The purpose of the course is to aquaint the new MA student to the Health care profession and to provide initial patient contact.

BUSINESS

The spring semester of 1987 brought two administrative changes to the Business Division. Joanna J. Seemiller was appointed acting chairperson of the Business Division, and Esther T. Goldman was appointed acting coordinator of the Secretarial Sciences Department.

To coincide with Secretaries' Day, the Business Division held its annual Business Careers Luncheon, April 27, 1987. Student representatives from each department of the Business Division spoke on why they chose Manor, their experiences at Manor, and their future plans. A guest speaker talked to the students about ways to succeed in the business world. All graduating sophomores were presented with gifts in recognition of their hard work at Manor. Special awards were given to outstanding freshmen and sophomores for achievements above the course requirements, such as highest court reporting speed, highest typing speed, etc. A lunch followed the ceremony.

With money received from a grant the Business Division was able to purchase new equipment for the classrooms. New electronic typewriters were bought for the typing room, and state-of-the-art word processors were installed in the word processing room. The students are enjoying working on these new machines.

The graduating class of 1988 will be the first class to have students earn the new Associate of Science degree in Information Processing. The Information Processing Major combines the former word processing and computer science majors. Students graduating with this degree will be trained in the usage of electronic typewriters, dedicated word processors and microcomputers and will be more efficient in the office environment where electronic equipment is becoming more prevalent.

The Court Reporting Program, in cooperation with the Admissions Department and the Office of Continuing Education, sponsored and presented a Court Reporting Career Day Saturday, March 21, 1987. The participants in the presentation included an attorney from Center City Philadelphia, a free lance agency owner from one of Philadelphia's largest court reporting agencies, and an appearance by current and past Manor students who shared with the audience their experiences in the field.

On April 24, 1987 the Court Reporting Program also sponsored a visitation from the court reporting classes of the Swenson Skills Center. These junior and senior high school students were exposed to a day in the court reporting college-level class, and an open discussion among all students. In addition, Robert Ackerman and Harvey Krauss, court reporters and agency partners of Krauss, Katz & Ackerman, Philadelphia, spoke to the students. This event proved to be a very beneficial experience for all involved.

There was a field trip to Common Pleas Court on October 30, 1987. The students attended Family Court, presided by The Honorable John L. Braxton. The students got an up-close view of courtroom proceedings, and the court reporter, Karen D'Angelo, answered questions raised by our students.

In November 1987, the Office of Continuing Education sponsored a workshop, "Is Court Reporting For You," where numerous interested persons attended. Lynne Zwanetsky and Pat Himes covered various topics pertinent to court reporting and also presented a videotape deposition.

As a note of congratulations, Linda Leach, a 1985 graduate of Manor, passed the National Shorthand Reporters' Association's Registered Professional Reporter examination, in November 1987. Linda is currently employed by Krauss, Katz & Ackerman in Philadelphia as a free lance court reporter and is looking forward to a very promising career in her chosen field.

CONTINUING EDUCATION

Operating with three goals in mind, recruitment, community/business outreach, and public image, the Continuing Education staff has made a concentrated effort to reach out to the community.

Keeping these goals in mind, Continuing Ed has been participating in a cooperative program sponsored by the Willow Grove Chamber of Commerce. "Business + 6" includes five other area colleges and is funded by a Ben Franklin Partnership grant. The project focuses on cooperative outreach to area businesses via a joint publication that is mailed twice a year to 6,000 local businesses and 2,000 elected officials.

As a result of the alliance with the Willow Grove Chamber of Commerce, the Continuing Ed Division has had an opportunity to participate in educational activities that include interaction with business and industry. The Willow Grove Chamber sponsored a business fair at the Willow Grove Park Mall in October 1987. MJC Public Relations Director, Mary Anne Whitehead, was a panel presentor for one of the business seminars. Her topic was "Media Selection: Advertising." Nancy Salazar, MJC counselor, presented a stress workshop. Manor's Continuing Ed department joined with representatives of the five area colleges, Temple, Penn State Ogontz, Montco, Gwynedd Mercy, and Beaver College, in sharing an educational booth for the two-day fair.

These cooperative activities have initiated invitations to participate in business sponsored educational fairs, one held at Prudential Insurance Company in Dresher, and the other at Rorer Pharmaceutical in Fort Washington.

Letters sent to a selected group of community organizations asking to be placed on their program for the year have generated speaking engagements and presentations. Beaver College's Dean of Continuing Education joined Manor's recruitment coordinator in a presentation at the Women's Network breakfast sponsored by the Willow Grove Chamber of Commerce.

Other speaking engagements included a joint presentation with Beaver at the Jenkintown Chamber of Commerce, a presentation by Marie Lawrence, Manor's recruitment coordinator, at the Huntingdon Valley Kiwanis and at the Cheltenham Business and Professional Women's Club.

Continuing Education has designed a workshop for the returning adult student, "Return to Learning", which is offered free to the public for presentation both on and off campus. In the spring, this program was presented to the employees of Rorer Phamaceutical.

Personal visits and other contacts with local businesses have produced positive results. Continuing Ed is currently working with two companies to provide a writing workshop for their employees, one to be held on campus and the other on site. Recently, in response to a request for information and a personal visit to the VP for Administrative Services at Pitcairn Corporation, some of their employees have registered for credit courses at Manor for the Spring term.

At present Continuing Ed has a mailing list of over 250 companies and community organizations who receive regular mailings each semester. As an incentive, a group discount is offered to those companies who send five or more employees to Manor. A number of companies have responded. Twenty-seven companies are sending one or more employees to Manor, representing 33 per cent of MJC's evening population who are receiving some kind of tuition reimbursement.

The Continuing Education department continues to seek new ways to make credit and non-credit courses appealing, practical and available for the general public. Spring workshops have been planned with sequence and continuity in mind. "Computer Sense" is a cluster of workshops which include Computer literacy, Computer applications and Word processing. Enrollment has been high in these courses because it offers the participant a cost savings. Real Estate Fundamentals and Real Estate Practice, offered as a non-college credit workshop, has generated a number of registrants as well.

These efforts to stimulate interest in Manor are positive steps towards fostering life-long learning at Manor.

UKRAINIAN HERITAGE STUDIES CENTER

Sister Christopher Mackovsky, OSBM, Superior General of the Sisters of St. Basil the Great visited the Fox Chase Jesus Lover of Humanity Province Motherhouse, St. Basil's Academy and Manor Junior College on January 20, 1988.

Information to Sr. Christopher and the Sisters of St. Basil about ways Manor Junior College serves the Ukrainian community and community at large through the on-campus Ukrainian Heritage Studies Center was presented in an oral report by Sister Marie Francis Walchonsky, OSBM, director of the MJC UHSC. In her prepared talk to the Sisters, Sr. Francis noted:

UHSC Staff *Photo by Faith McCracken*

Sr. Marie Francis, OSBM, center was named director of the Ukrainian Heritage Studies Center, in 1987. At left is Christine Chomyn Izak, curator and at right is Anna Maksymowych, librarian.

The MJC UHSC is celebrating its 10th anniversary year and in these years the UHSC has reached Ukrainians living in the greater Philadelphia area, the United States as a whole and in Canada. When established in May 1977, the UHSC established three goals:

1. to preserve and promote Ukrainian culture and especially Ukrainian folk art; to foster its vitality in American folk art and research its authentic forms.
2. to promote Ukrainian values, cultural heritage and traditions.
3. to stimulate the growth of Ukrainian community life in the United States and foster an ethnic consciousness among Ukrainian Americans through educational and cultural programs.

These goals Sr. Francis explained, have been realized by: an Ukrainian Heritage Studies Center Folk Art Museum collection, the Ukrainian library, and the Ukrainian archives and by numerous workshops, seminars, symposiums, educational programs and college courses.

UKRAINIAN LIBRARY

The UHSC Ukrainian Library is a collection of over 4,000 volumes. Students, parents and professionals make use of this extensive library for their research projects. Anna Maksymowych is the Ukrainian Librarian, and is also responsible for the Ukrainian archives of the UHSC which houses many rare books and artifacts.

Throughout the past 10 years, numerous workshops, seminars, symposiums, educational programs and college courses have been given by the UHSC.

Workshops have been held in Ukrainian beadwork, embroidery, pysanky making, ceramics and bread making. Educational seminars have included lectures on Ukrainian Church rituals, specifically, icons, church music and church history.

Throughout the 10 years, hundreds of students from public and parochial schools, from elementary to high school level, have benefited from programs offered at the UHSC at MJC.

SYMPOSIUMS

Symposiums have also been held as part of the educational outreach of the UHSC. The first symposium, "Divine Liturgy", was held in 1970 with Archbishop Roya as the main speaker.

The second symposium was held Nov. 9, 10, 11, 1979 on the "Life of St. Basil the Great," with Dr. Paul Fedwick as the main speaker.

Dr. Fedwick was also the main speaker for the third symposium which was held May 9, 1987, celebrating "75 Years of Prayer and Service of the Sisters of St. Basil the Great."

This year's symposium, the fourth, was held April 30, 1988 at MJC and celebrated the Millenium Celebration of the Christianity of Ukraine and was entitled, "Conversion of Ukraine — the Continuing Story." Speakers for this years symposium were: Dr. Ihor Mirchuk, Father Andriy Chirovsky and Father George Appleyard. (The MJC Religion Dept. sponsored this year's symposium).

College courses, Sr. Francis stated, are taught at Manor Junior College with a concentration on Ukrainian history, culture and religion. Presently a course is being taught by Sr. Anthony Ann, OSBM, entitled "Eastern Spirituality."

MUSEUM COLLECTION

The Ukrainian Heritage Studies Folk Art Museum collection has reached Ukrainians and non-Ukrainians with its folk art program in Canada and the entire United States. Christine Chomyn Izak, is curator of the Museum collection and has been the catalyst and successful driving force behind the folk art program for 10 years, said Sr. Francis.

The UHSC museum collection features Ukrainian folk art and regional Ukrainian folkware. Associated with the UHSC are 18 master craftsmen who exhibit and demonstrate their unique skills in: leathercraft, beadwork, weaving, pottery, embroidery, ritual breads, ceramics and wood carving.

Under the director and guidance of the UHSC Sr. Francis explained, the master craftsmen: conduct workshops in their crafts at MJC, help prepare educational research materials, are involved in publications of their work at MJC and have participated in numerous outreach exhibits.

Continued on Page 15

DEVELOPMENT

Manor Junior College's 1986-87 Annual Gift Giving Drive raised 51 percent more than the 1985-86 Drive due mainly to strong support from Alumni giving.

Alumni giving increased 4½ times from 1985-86, mainly through giving to the Phonathon which exceeded its pledge goal of $6,000. Over 90 percent (or $5,829) of pledges were received in response to the Phonathon. This success was due to the hard work of the many volunteers who contacted over 800 alumni and the generosity of Manor's alumni.

Other supporters also helped Manor increase annual giving, including friends (70 percent increase) and private industry (over 100 percent increase).

MJC is delighted by the continued and generous support of William R. Sasso, Esq. and Dr. and Mrs. Edward M. Mazze. Sasso is chairman of the Board of Trustees; Dr. Mazze is a member of the Board of Trustees and Mrs. Mazze served as co-chairperson of MJC's Spring Event and has joined the Council of President's Associates. Their continued commitment to Manor is gratifying.

In addition, generous gifts from long-time supporters, Marie Ovchynnyk, Charles Stahlecker and John Stepanec assisted Manor's drive.

One strong source of support for Manor is private industry which gives through matching gifts programs and direct gifts. Manor received over $6,000 in matching gifts which is a 25 percent increase over last year. Companies, such as GTE Service Corp., helped MJC realize this increase.

Manor was also the recipient of direct gifts from Beneficial Savings Bank, Fidelity Bank, Manufacturers Hanover Financial Services, Philadelphia National Bank and Roller Bearing Company of America, in addition to other local firms.

Photo by M.A. Whitehead

MJC Supporters

Manor Junior College long time supporters, Charles Stahlecker and his wife, Mary, were among the many guests who helped the Sisters of St. Basil the Great celebrate their 75th Anniversary Dec. 12, 1987. At right is Sr. Mary Cecilia, OSBM, president of MJC.

Also, MJC is grateful for the generous gift of $8,000 from the Stamford Diocese fulfilling their pledge of $10,000 to the campaign.

For the first time, memorial gifts are listed in the Annual Report. Divine Liturgies are celebrated for those listed. Divine Liturgies are also celebrated for all supporters of Manor Junior College.

To all Manor Junior College's friends and supporters, thank you for your continued commitment to the College. May God reward you for your generosity.

Mary Kay Gordon
Director of Development

ANNUAL REPORT 1986-87

This special issue of Manorama contains the Annual Report for the 1986-87 fiscal year. In this report of gifts you will find the names of donors who made gifts that were received by Manor Junior College between July 1, 1986 and June 30, 1987, when the fiscal year ended at Manor. Donors whose gifts were received by Manor after June 30, 1987, will be included in the Annual Report issue for 1987-88.

This Annual Report reports gifts that were made to support Manor Junior College's **"SPECIAL FUTURE FUND."** This "Special Future Fund" includes:

—the Capital Campaign to raise $2.5 million to develop the campus, improve existing facilities and initiate new programs.

—the Annual Fund which provides assistance for existing programs.

Contributors that have been pledged to the Capital Campaign are listed under actual dollar amount received for the fiscal year 1986-87 and are also listed in the general pledge category. At the end of the Capital Campaign, a complete report will be published at which time contributions received by those pledged will be placed in the category of gift-giving for the total amount pledged and received.

Donors will be listed under one of the following categories:

1. **BASILIAN BENEFACTORS;** donors who have generously given $1,000 or more during the fiscal year. Its symbol, the burning torch, has long been associated with St. Basil whose order of Ukrainian Sisters founded Manor.
2. **MANOR ASSOCIATES;** donors of $500 to $999. The official Manor seal serves as an emblem for this group.
3. Named for St. Macrinia, the **MACRINIAN SOCIETY;** donors have given $250 to $499. The Society's symbol is the oak leaf. (St. Macrinia established the first community of Sisters of St. Basil the Great.)
4. The **BLUE AND WHITE CLUB** is named for Manor's school colors. Donor's under the Blue and White banner are contributors of $100 to $249.
5. **FRIENDS** of Manor are those who contribute less than $100. Each category will be broken down as follows:
   - Unrestricted
   - Restricted
   - Matching Gifts
   - Gifts-In-Kind

Alumni will be designated by the year of their graduation followed by their names, and listed under category of gift-giving.

Every effort has been made to list donors correctly in their proper category, and in the case of alumni by their class year. However, in a listing of this length, errors can occur, so if your name is misspelled or inadvertently omitted, please accept our apologies and contact the Development Office of Manor Junior College.

KEY TO ANNUAL REPORT

Contributions to the "Special Future Fund" are designated by the following giving levels:

Basilian Benefactors	$1,000 or more
Manor Associates	$500 to $999
Macrinian Society	$250 to $499
Blue and White Club	$100 to $249
Friends	Under $100

Each gift giving category is designated as follows:

- Unrestricted
- Restricted
- Matching Gifts
- Gifts-In-Kind

Alumni are listed by category of gift-giving. Year of graduation is listed behind the names.

BASILIAN BENEFACTORS UNRESTRICTED

Manor Junior College
Advancing a Unique Tradition

Special Day! Special Friends!

The Sisters of St. Basil the Great, who founded MJC in 1947 celebrated the 75th anniversary of their arrival in the United States on Dec. 6, 1987 at MJC. Helping to celebrate were from left, top photo, Sr. Anthony Ann, OSBM, MJC faculty, Mrs. Wm. Pastuszek, Sr. Mary Cecilia, OSBM, president of MJC, and Wm. Pastuszek, MJC supporter. At right, Sr. Rita, OSBM, MJC Board of Trustees, welcomed her mother, Mrs. Mary Stremba to the special anniversary.

Photos by
M. A. Whitehead

COUNSELING

The counseling office of Manor Junior College offers multiple services to accommodate the needs of Manor's students. Most of the services address the educational, personal and career issues common to traditional college-age and adult students. Students drop into the counseling office and/or are referred by faculty, staff, and other students for many reasons, such as choosing and changing a major, transferring to another college, handling the pressure of college courses, and developmental issues of the college-age and adult student.

To assist students who experience academic difficulty, a new program, PASS, was developed by the learning center and coordinated with counseling services. The program targets probationary students to help them achieve academic success with the help of tutorial and counseling support. This program was piloted last spring.

Career-interest workshops for potential continuing education students are offered each semester by the counseling office. These workshops aim to help the participants identify their job-related interests and skills. According to the continuing education office, some participants have clarified their career interests and have subsequently enrolled in Manor's courses and programs.

Over the past year, the counseling office has taken several other directions with its services. Stress management and assertiveness workshops were offered to Manor staff and faculty, led by Nancy Salazar, a part-time counseling staff member. Seventy-four students from St. Basil's Academy and Manor participated in a leadership conference organized by Student Services last spring. The counseling office staff led several workshops in this conference on effective communication, leadership styles, and group facilitation.

The office staff participated in organizing a drug and alcohol awareness night for Manor's students. In addition, the counseling office and international club sponsored a celebration of international cultures through an evening of ethnic foods and entertainment.

Marylou Delizia
Director of Counseling

Public Relations

The Public Relations Department of Manor Junior College seeks visibilty of the MJC community, its events and people throughout the year by hundreds of press releases, public service announcements, features, captioned photos, some paid display advertising, limited radio advertising, and arranging of special interviews of the MJC faculty and staff for both the Ukrainian and non-Ukrainian media.

In 1987, in addition to these activities, the P.R. dept. published and edited, the Annual Report, Manorama, the College Catalog, Christmas Cards, Easter Cards, the MJC Yearbook, a weekly news sheet, "Happenings", a flyer for Parents for the Admissions office, the Annual Ukrainian Festival Program, Alumni Newsletter, and numerous articles, flyers and handouts for events occuring throughout the year.

The P. R. office alerts the media to events on campus and works with the media to arrange visits of print and broadcast media to campus. Events which brought the media to MJC included the: Annual Ukrainian Festival, (Channel 6 TV), The Allied Health Pinning Ceremony, Graduation, the 75th Anniversary of the Sisters of St. Basil the Great, MJC's 40th Anniversary, UHSC art exhibits, Student honor awards and the Annual Symposium to name a few.

The P. R. Dept. regularly monitors the media and local, state and federal government to voice concerns on higher education. The P.R. Dept. also works with Admissions and Cont. Ed. to increase enrollment, and the President's office, Development and the UHSC for special events.

In addition to promotions and publicity, the P. R. Dept. performs community service through letters, cards and participation in outside events. In 1987, the P. R. director served as the guest speaker for area school career days, and as a panelist/presentator for the Willow Grove Chamber of Commerce "Salute to Business," day.

We would like to acknowledge the following people who were not listed in last year's annual report for their gifts in fiscal year 1985-86:

Basilian Benefactors

Dr. and Mrs. Edward Mazze

Blue and White Club

Dr. Ihor Mirchuk

Dr. and Mrs. Petro Mirchuk

Reverend Roman Mirchuk

UKRAINIAN HERITAGE STUDIES CENTER

Cont'd. from Page 8

EXHIBITS

These outreach exhibits have included participation in:

The University of Pennsylvania International Classroom
The Bucks County Community College Artmobile
The Historical Society Museum of Western Pennsylvania
Exhibits at internationally and nationally acclaimed Longwood Gardens, Kennett Square, PA
Robert Morris College, Pittsburgh
Dickenson College, Carlisle, PA
International Institute of Phila.
Balch Institute of Ethnic Studies, Philadelphia
Pittsburgh Ukraine Festival
Pittsburgh International Cathedral of Learning
Bicentennial International Village Fair, Philadelphia.

Several of the MJC UHSC master craftsmen have also been awarded grants ($14,527.60) from the PA Governor's Council on the Arts. These grants have been used to preserve, perpetuate and promote Ukrainian folk arts.

Annual art exhibits sponsored by the UHSC have been used to showcase Ukrainian artists and have included exhibits by the Kozak families and Ludmilla to name a few.

The Manor Junior College Christmas and Easter greeting cards are published annually through joint efforts of the UHSC and the MJC Public Relations department. These cards serve as a vehicle to educate and promote Ukrainian folk art.

ANNUAL FESTIVAL

In addition, the MJC Ukrainian Heritage Studies Center Annual Ukrainian Festival has successfully showcased Ukrainian heritage, folk arts, and culture to over 4,000 festival guests each year, Sr. Francis continued.

The annual day long celebration features a special museum collection exhibit, UHSC master craftsmen demonstrating their unique skill, Ukrainian dance performers, music and singers, an art exhibit, Ukrainian food and Ukrainian merchants.

All the activities of the UHSC, Sr. Francis noted, have received extensive coverage in the Ukrainian and non-Ukrainian newspapers and the annual Festival, and events of the UHSC have also received local cable and Philadelphia television coverage.

This media recognition of the MJC UHSC has made the public more aware of Ukrainian heritage and has helped to raise the consciousness and pride of Ukrainian people. This public awareness has also generated Ukrainians to help perpetuate and promote the work begun by MJC and the UHSC. Sr. Francis cited the recent gift of a $38,000 scholarship endowment to MJC by Mr. and Mrs. Wasyl Soroko. This scholarship is to be awarded to a student of Ukrainian parentage.

RECOGNITION

The UHSC, she added has also received recognition from other institutions and sponsoring agencies. She closed her remarks by an excerpt taken from the International Village Fair, July 25 — Aug. 2, 1987, honoring the Bicentennial of the U.S., an event the UHSC participated in:

"Cultural institutions often play a crucial role in the exhibition, maintenance and revival of traditional arts. Whether their motives and historical preservation, ethnic recognition, or community expression, local institutions frequently exert much influence on the public's exposure to traditional arts. Also, by increasing the public appreciation of the artists to develop and share their talents."

"The UHSC housed at MJC in Jenkintown not only honors the arts and documents the history of Ukraine, it provides the community with instruction in many Ukrainian traditions including pysanky, beadweaving, embroidery, leatherwork and pottery. Through institutional sponsorship, artists separated from their homeland receive recognition for their unique talents and in turn, help shape the concepts of their ethnic history and identity."

Sr. Francis ended her remarks to Sr. Christopher and the Sisters of St. Basil by stating: "I am proud to be the director of the UHSC and specifically a member of MJC."

Менор Джуніор Каледжу

Студійний Осередок Української Культури
Огляд 10-літньої праці

У 1987-му році минуло 10 років від засновння Студійного Осередку Української Культури Менор Джуніор Каледжу. СОУК поставив собі за мету зберігати і розповсюджувати українську культуру і спадщину. Розповсюджувати вартість української духовости, традицій, стимулувати ріст українського громадського життя в Америці, розбудити національну свідомість поміж американцями українського походження через освітні і культурні програми.

Ці напрямні Студійний Осередок реалізував чотирьома способами: через музейну збірку СОУК, майстерні народнього мистецтва, семінари, симпозіюми, освітні програми і курси у каледжі, як також через бібліотеку і архіви СОУК.

Бібліотека СОУК містить понад 4,000 томів книжок, кромі цього збірку журналів, з яких користають студенти і професіоналісти для їхніх дослідів. В архівах знаходяться рідкісні книжки та інші архівні матеріяли. Бібліотекою завідує Анна Максимович.

В Студійному Осередку відбуваються майстерні вишивання, писання писанок, нанизування ґерданів чи керамічних виробів. Освітні семінари включали лекції про українську духовість, особливо ікони, церковну музику та історію Української Церкви.

Для дітей також відбуваються освітні програми, для поглиблення і доповнення соціяльних і мистецьких програм навчання. Із цих програм користають учні початкових парафіяльних, публічних шкіл та студенти середніх шкіл

Тут відбуваються також симпозіюми. Перший симпозіюм відбувся у 1970 році-тема »Божественна Літургія», головний доповідач Архиєпископ Роя. Другий симпозіюм відбувся 9, 10, і 11-го листопада 1979 р.,»Життя св.Василія Великого» - доповідач д-р.Павло Федюк; третій, 9-го травня 1987 р., тема »75 років молитви і праці Сестер св.Василія Великого», головний доповідач д-р. Павло Федюк. Четвертий симпозіюм назначено на 30-го квітня 1988 р.»Навернення України - безперервна історія». Виклади, які концентруються на історії України, культури та релігії, відбуваються в Менор Джуніор Каледжі. Під сучасну пору Сестра Антонія Анна вчить про »Великодню Духовість».

Українська музейна збірка народнього мистецтва притягає українців з Канади, а в Америці навіть з Каліфорнії, Коннектікут, Нью-Йорку, Нью Джерзі, Мерилянду і других стейтів. Христина Хомин Іжак, куратор музейної збірки вже 10 років, відвічає за успішність наших програм народнього мистецтва.

СИМПОЗІЮМ.

Христина Хомин Іжак, зліва, куратор СОУК мала слово підчас особливого симпозіюм вшанування "75 ліття молитви і праці Сестер св.Василія Великого". З панею Іжак є Сестра Марія Кекилія, ЧСВВ, президент МДжК., Сестра Міріям Кляра, ЧСВВ, Провінціяльна Настоятелька ЧСВВ,і пані Анна Максимович, бібліотекар.

Підчас мистецької виставки картин Стефанії Бернадин, що відбулася в Менор Джуніор Каледжі 17.вересня 1987 р., стоять зліва,Анна Максимович, Людмила Чайківська, Галя Поритко і мисткиня Стефанія Бернадин.

У СТУДІЙНОМУ ОСЕРЕДКУ УКРАЇНСЬКОЇ КУЛЬТУРИ співпрацюють 18 майстрів народнього мистецтва, кваліфікованих у виробах зі шкіри, нанизуванні ґерданів, ткання, гончарства і керамічних виробах, вишиванні, традиційних хлібів та дереворізьби. Ці майстри провадять майстерні, приготовляють дослідні матеріяли потрібні для навчання даної ділянки; Їхні зразки включені у публікаціях **МЕНОР ДЖУНІОР КАЛЕДЖУ**, вони беруть участь у програмах і виставках спонзорованих **СТУДІЙНИМ ОСЕРЕДКОМ** УКРАЇНСЬКОЇ КУЛЬТУРИ **МЕНОР ДЖУНІОР КАЛЕДЖУ** у: Інтернаціональній клясі Університету Пенсільванії, Бакс Кавнті Комюніті Каледжі, Гісторікал Сосаєті Мюзіум західньої Пенсільванії, Льонґвуд Ґарденс, які стягають відвідувачів з цілого світу, Роберт Морріс Каледжі у Пітсбурзі, Дікенсон Каледжі у Карлайл, ПА., Інтернаціональному Інституті у Філядельфії та Болч Інституті етнічних студій. Декількох із цих майстрів одержали дотації на суму 14,527.60 від Ґовернорс Каунсіл он де Артс, за порученням СОУК Менор Джуніор Каледжу.

У СОУК відбуваються мистецькі виставки. Публікації Великодніх і Різдвяних карток Менору вживаються як засоби для навчання народнього мистецтва. Наш Український річний Фестиваль включає виставку мистецьких зразків у приміщенні музейної збірки, майстрів і показ їхніх вмілостей, виступи танцювальних ансамблів, мистецькі виставки, українських торгівців, українські страви та розваги для дітвори. Цього року Фестиваль відвідало понад 4 тисячі осіб.

Новинки про діяльність СОУК часто появляються на передових сторінках місцевої преси чи телевізії. Це не тільки обзнайомлює загальну громаду з українською спадщиною і її походженням, але також викликає гордість у нас самих. Менор користає із цього освідомлення громади. Одиниці, спонукані пацею СОУК, напримір, Панство Сорока, зложили 38.000 дол. на стипендійний фонд Менор Джуніор Каледжу.

СТУДІЙНИЙ ОСЕРЕДОК УКРАЇНСЬКОЇ КУЛЬТУРИ Менору брав участь в Інтернаціональній Віллідж Фейр 25-го липня до 2-го серпня 1987 р., вшановуючи 200 ліття Конституції Америки. Ось декілька речень із їхньої книжечки--програмки; »Культурні установи часто відограють критичну ролю у показі, вдержанні та відродженні традиційного мистецтва. Чи їхні мотиви є історичне збереження, етнічне признання чи вияв громади, місцеві установи часто кладуть великий натиск на те, щоб показати громадськості традиції і мистецтво. Також, коли публіка признає вмілості і яке значіння мають їх наслідки, установи заохочують мистців розвивати і поділяти свої таланти. СОУК, який міститься у Менор Джуніор Каледжі в Дженкінтавн, ПА., не тільки шанує мистецтво і документує історію України. Він постачає громаді інструкції багатьох українських традицій, як: писання писанок, нанизування ґерданів, вишивання, шкіряних виробів і гончарства. За спонзоруванням установою, мистці відділені від батьківщини дістають признання за їхні унікальні таланти і в заміну за те, допомагають формувати поняття їхньої етнічної історії та ідентичности.»

(Цей огляд праці виголосила Сестра Марія Франциска Волчанська, ЧСВВ, директор СОУК до Сестер Василіянок, в присутності Архимандрині Василіянського Чину, Впр. Сестри Христофори, яка приїхала з Риму на візитацію Менору, в січні 1988 року.)

CAMPUS MINISTRY

Goals for MJC Campus Ministry are: presence, prayer, service and community.

PRESENCE

Through its presence, Campus Ministry serves as a constant reminder of the importance of the spiritual dimension of life to the Manor community. This presence manifests itself especially through the integration of prayer into every major function that takes place at the college — from orientation of new students to graduation. Campus Ministry provides personalized prayer at student, faculty and staff events, thereby calling the community to awareness of God's presence.

PRAYER

In addition to the integration of the prayer of presence into the daily life and yearly cycle of the college, Campus Ministry also celebrates certain holidays and feasts with more elaborate prayer services and liturgies. Weekly Eastern Rite Liturgy is held in the college chapel on Saturday evenings. Roman Catholic holydays are marked with celebrations of liturgy. Ash Wednesday and weekly lenten services are an annual occurence.

Other prayer services, such as those commemorating Martin Luther King's birthday and Ukrainian Independence Day, are held annually. Often students or staff members request a prayer service for special occasions or request prayers when someone close to them is ill or dying.

During this past year, Manor has been fortunate to have available for its students an intercollegiate retreat program for students at colleges in the Philadelphia area. Last year five Manor students attended weekend retreats as part of this program.

SERVICE

Manor has as one of its goals service to the community. Campus Ministry meets this goal in a number of ways.

The semi-annual Red Cross Blood Drives provide a needed service to the Philadelphia area. In 1987 a group of Manor students served as group leaders for a local high school in its retreat program.

Some students visited area hospitals and sang Christmas carols. Individual Manor students participated in LaSalle University's Spring Break service project in Appalachia and worked with the Philadelphia Committee for the Homeless and the Mercy Hospice program.

COMMUNITY BUILDING

Manor prides itself on its community spirit. The active and ever-present Student Services Department at the college provides many opportunities for community activities and student involvement. The centralizing of Student Services offices on the main floor of the academic building has led to greater coordination of services to students.

For the past two years, Campus Ministry has worked closely with the rest of the student services staff to meet the needs of students, to be responsive to concerns of individual students, and to participate in activities aimed at building and maintaining a community atmosphere at the college. Practically speaking, this means that Campus Ministry assists with Leadership Training, student orientation, and even judging the best decorated doors in the Resident Hall at Halloween.

Campus Ministry provides a vital service at Manor. While it does administer its own programs, more importantly it serves the needs of the rest of the college community and is integrated into all facets of college life.

At Manor, not just Campus Ministry, but the entire college is concerned with maintaining spiritual presence, prayer, service and community.

Faculty Award

Photo by M.A. Whitehead

Eileen H. Suffett, assistant academic dean at Manor Junior College, at right, received a special service award at the 1987 Faculty appreciation dinner. The annual dinner is sponsored by the MJC Board of Trustees. At left is Johanna Seemiller, acting chairperson Business Division and Dr. Edward Mazze of Furlong, MJC Board member. Mrs. Suffet is also the director of the MJC expanded functions dental assisting program and has been employed by MJC for 12 years.

SPECIAL GRANTS

Manor Junior College received five special grants from the Department of Education, Commonwealth of Pennsylvania under the Carl Perkins Vocational Act for curriculum development, computer tutorials and personnel development of faculty, staff and administration in 1987. The five grants totaling $156,130 were written, conceived and implemented by Eileen Suffet of Elkins Park, assistant academic dean at MJC, and Dr. Madeline Seltzer of Elkins Park, English faculty member, and former chairperson of the Liberal Arts division at MJC.

The five special grants received were:

——A grant of $39,981 to develop and implement competency based curriculum materials to be presented in a mandatory weekly freshman seminar to assist in-coming freshman students adjust and succeed in college, understand academic regulations, vocational career program policies and procedures, grade point averages and school deadlines.

——A grant of $39,960 to expand, improve and develop new curriculum materials to raise the skill and competency level of students through the services of the on-campus Learning Center. To accomplish this goal the MJC Learning Center will offer tutoring to all students in reading, study skills, writing, math and all vocational subjects.

The Learning Center will also develop and implement a Math Center with a professional tutor and peer tutors and will expand and improve the Reading and Writing Center. As part of this grant, the MJC Learning Center will also develop and implement an individualized tutoring and counseling program to assist all vocational students who are placed on academic probation.

——A grant of $38,354 to continue the MJC Learning Center tutoring and computerized tutorials to help disadvantaged students improve their reading, writing and math skills necessary for success in their programs and by helping them learn the vocational material in their occupational courses.

Continued on Page 20

STUDENT SERVICES

Manor students took a break from the demands of academic life through the many activities planned by the Student Services Office led by Sr. Marie Francis, dean of students and Jeanette Ullrich, student activities coordinator.

At the start of the academic year, the Student Senate sponsored a balloon life as part of the celebration of Manor's 40th Anniversary. Volunteer students led Manor's administration, faculty, staff and remaining students in a chorus of cheers for Manor. The Manor community enjoyed a special "Happy Birthday" cake for MJC.

Fancy footwork was featured at several dances held for Manor students and their special guests from Valley Forge Junior College.

Holiday activities were designed to incorporate a sense of community on Manor's campus and in its' surrounding neighborhood. Students displayed their creative talents in a Halloween Door Decorating Contest. The Halloween costume party yeilded some clever disguises, including an outerspace visitor who looked like a distant cousin to Sister Marie Francis, OSBM, MJC dean of students.

Student Senate 86-87 ***Photo By Faith McCracken***

Sr. M. Francis, OSBM, dean of students, with the 1986-87 Student Senate officers. From left, Dawn Uetz, president, EFDA; Wendy Weaver, EC/HS vice-president; Wendy Chinnicci, EFDA secretary and Millie Oquendo, EC/HS treasurer.

MJC students shared a special Thanksgiving Dinner and afterwards, joined in a sing-a-long. At Christmas, students spread holiday cheer by caroling at local hospitals. St. Nick paid MJC a surprise visit as part of the St. Nicholas Day celebration sponsored by the Ukrainian Club.

The spring semi-formal stirred excitement and a fight for mirror space in the dorm as Manor students applied the finishing touches for a night of dinner and dancing.

As the academic year came to a close, Graduation was the final 1987 Manor event for students.

by Faith McCracken

GRANTS

Continued from Page 19

——A grant of $17,811 to continue to develop, improve and implement computer tutorials already written and to expand the program to include new tutorials for new courses and programs.

——A grant of $20,024 to provide a series of in-service workshops and seminars that address the needs of instructors and other people serving vocational educational students. As a result of this grant, MJC will implement an annual two-day in-service program that will integrate faculty, staff, administration and vocational advisory committee members in an academic setting and provide workshops and seminars to sensitize participants to the needs and problems of vocational education students.

MJC enrolls 400 full and part-time students with 92 percent of the student body enrolled in vocational, career-oriented programs of study in the allied health, business and liberal arts/science fields.

Graduation Jitters

The Manor Junior College class of 1987 anxiously waits for their classmates to arrive at their places so that the big day...the big event...Graduation can begin.

1987: SPECIAL YEAR FOR MJC, OSBM

Happy 40th Anniversary!

Photo by: Mary Anne Whitehead

Manor students, faculty and staff cheer as 200 blue and white balloons are launched on Sept. 30, 1987 celebrating the 40th anniversary of the founding of MJC. A special college community anniversary celebration with anniversary cake for all noted the special event.

The year 1987, was a special year for the Ukrainian Sisters of St. Basil the Great and Manor Junior College as three significant anniversaries were noted.

——**Seventy-five years** ago on Nov. 30, 1911, Mother Helen Langevich, together with Sisters Paphnutia Timochoko, Euphemia Kurylas and candidates Helen Iwasieczko and Olga Pidhorecka arrived in New York City from the Monastery of Jaworiw, Ukraine. The newly arrived **Sisters of St. Basil the Great** opened their first convent in Philadelphia, Dec. 2, 1911 and began their missionary work with Ukrainian immigrants and orphaned children in the United States. In the 75 years the Sisters of St. Basil have served in the Philadelphia Province, their work has expanded and now includes teaching in the elementary, secondary and junior-college levels both in institutions owned by the Province and other parochial schools.

——**Founded in 1947** by the Ukrainian Sisters of St. Basil the Great, **Manor Junior College,** Jenkintown, PA celebrated 40 years of academic excellence in 1987. Originally named St. Macrina College, Manor was founded by Mother M. Josaphat Theodorowych, OSBM, Superior of the OSBM, as an opportunity for young women of Ukrainian ancestry to pursue higher education and to provide a learning center for Sisters of the Basilian religious order. The College opened its doors to 11 students in the fall of 1947 and classes were held in an old farmhouse used as the Novitiate for the OSBM located on the grounds of the Basilian Motherhouse.

Today, MJC includes Mother of Perpetual Help Hall Academic Building which houses classrooms, lecture halls, laboratories, an auditorium-gymnasium, student lounge, Chapel and offices. The College also includes Josaphat Hall, a residence hall to provide dormitory facilities for students, a modern on-campus Dental Health Center and the Ukrainian Heritage Studies Center.

The MJC Basileaid Library-administration building was erected in 1969 and provides staff and faculty offices and a modern library which houses over 28,000 volumes. Enrollment at MJC now numbers over 400 full and part-time students and MJC now offers 17 programs of study in the liberal arts and science, business and allied health fields.

——**The Ukrainian Heritage Studies Center** at Manor Junior College celebrated its 10th anniversary. The UHSC is dedicated to the preservation and promotion of Ukrainian heritage, arts and culture. The UHSC is comprised of four major areas: an academic division which offers opportunity for study, research, seminars, credit and non-credit courses; a museum collection which features Ukrainian folk art, regional Ukrainian folk costumes, ceramics, embroidery, beadwork, woodcarvings and pysanky. Educational workshops, art and photo exhibits are sponsored by this division throughout the year.

The UHSC library, the third area, includes over 4,000 books and journals in the Ukrainian language, including many rare and first edition books. The fourth area, UHSC archives, collects and preserves material of informational and historic value of Ukraine. Each year the UHSC sponsors the Annual Ukrainian Festival held the first Sunday in October, to celebrate and educate Ukrainians and non-Ukrainians about the Ukrainian heritage, arts and culture. The 1988 Festival will be held Oct. 2 from noon to 6 p.m.

1987: a special year indeed, in the history of the Sisters of St. Basil the Great, Manor Junior College and the UHSC.

MJC Annual Report 1987 is published by MJC Public Relations Department.
Editor, photos, graphic layout: M.A. Whitehead, MJC P.R. director.

LEARNING CENTER

The Learning Center, which originally opened in 1985, continues to provide academic support services to the students of Manor Junior College. Peer and professional tutoring services and study skill counselling are available to all students (day, evening, full and part-time) in the courses offered at the college.

Tutorial Assistance

During the spring 1987 semester, 58 students were tutored in the Learning Center. Thirty five of these students were tutored for five or more sessions. Seventy one percent of them received grades of C or P (passing) or better in the course(s) in which they received assistance. Although statistics are not yet complete for the fall 1987 semester, preliminary data suggests that approximately 100 students took advantage of the service.

New Programs

The PASS (Probationary Assigned Supervised Study) program was initiated specifically to provide study skills and academic support to students who were experiencing difficulty in developing the necessary study skills to be successful at the college level. Twenty two of the 26 students who participated in this program in the spring of 1987 showed improvement in their grade point average at the end of the spring '87 semester.

Photo by Paula Santos

In cooperation with the Continuing Education Department, three non-credit workshops were developed by the staff of the Learning Center: Scholastic Aptitude Test preparation courses for the verbal and math subtests were offered to area high school students and a General Education development (GED) test preparation course was offered to area adults who wish to obtain a high school diploma offered by the Pennsylvania Department of Education.

Services to foreign students were expanded through further refinement of the English as a Second Language (ESL) program. The communication skills of all foreign students were formally evaluated at the beginning of the fall semester and those students who gave evidence of needing additional help in order to be successful in the college setting received individual tutorial assistance on a regularly scheduled basis. At the present time, students from Asia and Europe are participating in this program.

In the fall of '87 a math center was established as part of the Learning Center. Work was begun on the development and field-testing of a standard curriculum based on observed student need for the basic math course. New practice materials were obtained and curriculum based tutorials were written to supplement the basic math course and for student use in the Learning Center.

Helping Hand

John Boyd, director of the Learning Center, offers some friendly help to MJC student Shannon Wells.

Placement Testing

The responsibility for implementation of the placement testing program for new students was given to the Learning Center. A placement test battery that would provide information about the students' specific skill levels as well as provide empirical data for evaluation and research projects was selected. Those students who may need immediate, additional help can be quickly identified and special programs can be designated for students who show very high levels of academic skills.

Research

Preliminary studies have been initiated to evaluate the effect that attendance in the Learning Center and the taking of basic courses has on the academic performance of students. It has been found that students who attened the Learning Center for supervised reading practice for 10 sessions during a semester improve more than a year when given the placement test at the end of the semester.

At the present time, information on the number of students who took the basic English and/or math courses and the number of times they sought help in the Learning Center has not been calculated, but the median growth of students in both courses is approximately one year based ona pre/post evaluation.

Learning Center Staff

The Learning Center professional staff currently consists of one full-time director and nine part-time members: two English tutors, two math tutors, one ESL tutor, two chemistry tutors, one general studies tutor, and one biology tutor. Two of the tutors are volunteers. There are approximately 20 peer tutors whose services are utilized as needed.

Commitment

The student population of Manor Junior College is quite diversified and the Learning Center staff strives to meet the individual and collective educational needs.
